Hey! What are you doing?
.....
...What the Prince said is right.
Hey...!!
It can't continue like this.
Prince! Dominic-nim, please wake up already
Yeah~
WAKE UP!!

I have taught you all the basics.
From now on, you two can continue by yourselves.
What? That bastard!
What is he pissed about now?
Anyway, he behaves like the jerk he appears to be.
Then, will you give me the honor of a dance?
What-ever~

If that bastard...
Is the type to strongly lead...
It's definitely different.
With this guy it feels like we're just playing together.
It's fun.
You know,
this is the first time I've felt that dancing was enjoyable.

Probably because I'm dancing with Saeju.
..It feels like yesterday when they barged into my life, and I was complaining that they were damned aliens.
Now I can't imagine our house without them

I wish we could remain like this_
_forever
She is a woman, like Saeju-nim
I have brought a person who is free from Kayan-nim's command
The successor to the 4th King, Izabel-nim.
From now on, she will be together you, Saeju-nim.

Oh~ There are females within the King's successors?
I don't have 'abilities' like Yohan or Nokia, but...
Will it one day change...?
For some reason, she seems a bit out of it.
Is...is she sleeping?
?
HEY!! IS IT REALLY OKAY?!
CAN I BE PROTECTED BY THAT PERSON?!
Oh my, excuse me!

Neither Nokia nor Kayan-nim will be able to do anything to me
So, in moments of danger, you will be able to just remain behind me.
Is she planning on dragging me down along with her?!
I give you my greetings.
Oh my, Dominic~
It has been a while
Zzz...
Is that woman really okay?

Izabel-nim, thank you for coming all this way.
It was nothing, Yohan.
Graceful move-ments..
Elegant tone ..
Without a doubt I can see that the royals have elegance.
Huh?!

What??
Whaaaa aaat?
What are they doing?!
WAIT ?!
?
Ugh!!
Saeju, what's wrong?
My words...

Why did I do that?
Ah, that –
So, you're a successor of the King, right? I was wondering whether that was really okay
So that's it.
In our world, being the successor of the King is just an honorary act.
Thus, I have no interest in being involved with arguments involving the throne.
.....
Also, I believe you could tell just by looking .. with this body, I can not claim the throne anyway
You fell asleep?
Were you sleeping just now?!

Hehˇ So it's like that, eh?
Anyway, it's perfectly convincing.
Huh?
Wait...
That woman..
When she's talking to that bastard, she's not falling asleep?
Sleep my ass she's even blushing!!!
Is it possible...
What?!
Are they dating...?

Does that bother you that much?
Huh?
No, not bothered but rather –
. . . .
Saeju... Do you like Yohan-hyung?
WHAT?!
ARE YOU CRAZY?! AS IF!!
WHY WOULD I LIKE THAT GODDAMNED BASTARD ?!!

What the hell, you –
What are you doing?
Let me go now.
It hurts~
They're like lovebirds.
Oh my –

HEY! IT REALLY HURTS!!
I CAN'T BREATHE!!
Please let her go now.
...Prince, you are not in that child's body.
AH?!
So-sorry, Saeju!
콜록 콜록

That bastard..
FEEL IT YOURSELF!!
Recently, I get the feeling that this guy has become a little weird.
Sometimes, he has a really serious face on.
And there were times when the atmosphere between him and that womanizing bastard seemed cold.
I am getting a bit anxious since I don't know what's causing this .

But then... suddedly....
Come out!
?
Yohan-hyung?
I warned you that I wouldn't forgive you any more.
COME OUT BEFORE I SLICE YOU IN TWO!!

However, I find no need to seek forgiveness from the one who is going to die.
If it isn't Yohan-nim.
Geez, I was found out
!
NOKIA?!

So it was you...
That made the glass fell from the sky,
But how did she hide her presence?
Even I could hardly feel it.
and chased me and Saeju-nim not long ago.
In the name of my master Kayan-nim...
I ask you to please die, Yohan-nim.

I wonder...
If a successor without his deputy would lose the right to become King
However, the one who caused his death would lose his right as well
Jeez
They say, those who are dead do not speak.
Do you not remember why you were selected as second?
Have you forgotten?

You can never beat me.
Do you really think so?
!
Is there someone else?!
DAMMIT!
EVERYONE, THIS WAY-!

SAEJU!!
...!
...
You can't protect everyone...
So –
What will you choose to do?

THIS GIRL OR YOUR LIFE...
ARE THEY WORTH THE SAME?
Saeju –
탕!
Huh?
...Let her go, Nokia.

She is the only valuable person to that guy...
Don't make her death my fault –!
How funny
That you, who betrayed him, speak those words –
If only you disappeared, everything could return to its place.
Kayan-nim to his much coveted Kingship..

Everything would be fine.
If you disappeared, Kayan-nim will be able to move on from you.
Free from...?
And Dominic-nim would be free from the burden you have placed on him.
If only Yohan-hyung would disappear.
If it was me, there would be no hesitation.
So, what is your choice?

How cold...
Are these that woman's true thoughts?
Quinque (Five)
Why is no one stopping him?
Hey, wait a minute!
Quattuor (Four)
Trestria (Three)
No!!
...Looks like I have no choice.
WAIT!!

You, you're a woman but you're something like a knight, right?
Then, as women, let's fight fairly.
엥?
If I win, you will disappear without a word.
I have no reason to comply with those requests...
Heh~ What, are you scared? Even though you're a knight?
Saeju: A master at making people angry.

What if I win –?
Then you can do as you like.
WHAT!!
STOP IT SAEJU!!
SHUT UP!
This is the order of your princess.
Do not move from where you are!

뻔뻔
Ah! And you, lend me that sword.
You–
Don't worry! Don't worry!
I've put thought into it
Plus...
If I do it like this, I am protecting you right?

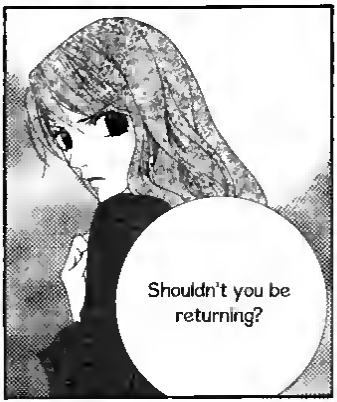
You impudent...
Ha~
I don't bother to do anything, but I am quite athletic.
BRING IT ON!
His sword isn't as heavy as I thought.
I can use it sufficiently.
I'm sure that woman will be underestimating me and won't use all her strength.

The odds aren't too bad.
I will be waiting for my chance -
With a single stroke..!!
피
I DID IT.

Wonu was right.
He said the tools that aid their abilities are usually strapped onto their chest.
!!!

Hehe, it's trouble-some when it breaks, huh?

Oh my –
Saeju!



Shouldn't you be returning?

This is real right...?

This is real.
that girl...!!

You...
!

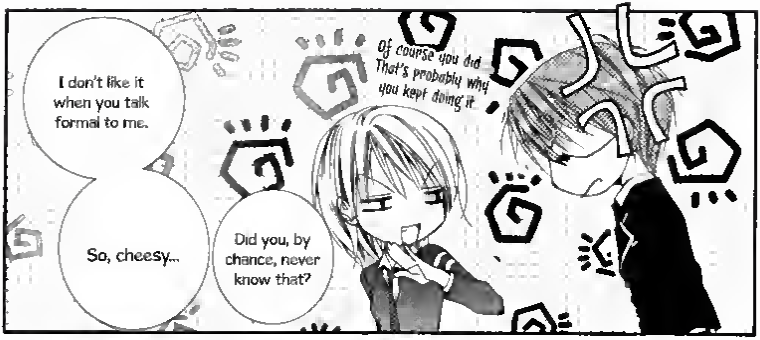
?
.....
Wait –
I didn't hit her that hard...
COUGH
Blood...!!
So much blood..?!
...I get it now.
Everyone has the light of life

It is possible to hide it to a degree,
But getting rid of it is impossible.
However, I could feel nothing at all from her.
Her life... is dimming?!
Nokia...
This is the reason you were in such a hurry.

..I will return for now, but it won't be so easy next time.
Yohan –
I will definitely dispose of you!!
SAEJU~AH! ARE YOU OKAY! ARE YOU HURT?
Huh, I'm fine ..
Maybe not
I see a ghost !!
Why...

WHY ARE YOU SO RECKLESS?!
YOU WERE LUCKY SHE WAS WEAKENED BY HER ILLNESS AND NOT AT FULL POWER!
WHAT IF YOU MEET ANOTHER KNIGHT? WILL YOU BE LIKE THAT, AGAIN?!
You...
WHO SAVED YOU FROM DANGER, EH?!
YOU SHOULD BE THANK-FUL!

Being angry and shouting at a woman –
This is the first time I've seen Yohan like that.
Me too..
This is my first time seeing him like that on Earth
DO I HAVE TO TIE YOU UP?!
Is this funny?
It's been a while...
...Since i've heard you speak so informal...
!

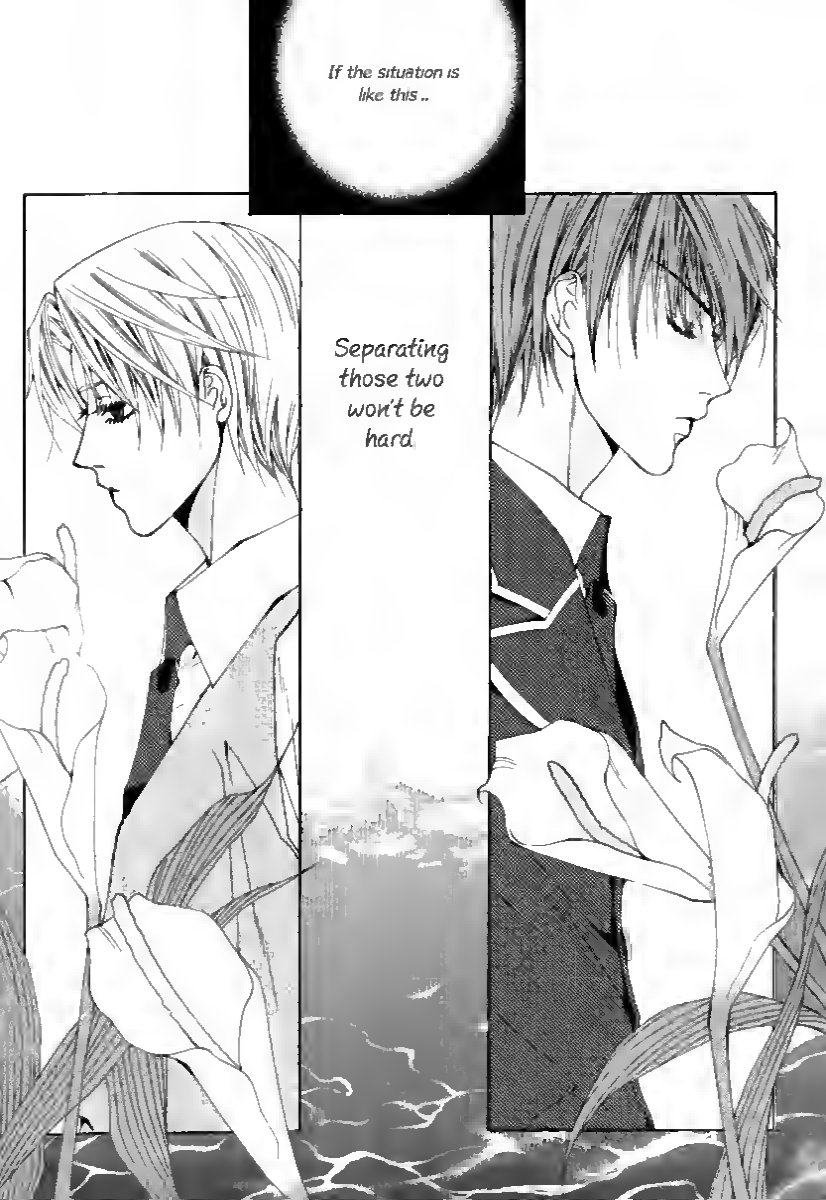


I don't like it when you talk formal to me.
So, cheesy...
Did you, by chance, never know that?
Of course you did. That's probably why you kept doing it.

Of course, Yohan does not lack the ability to differentiate...
But isn't the relationship between a mere deputy and the princess too intimate, Dominic?

As you know, Izabel...

Using whatever method, please separate Yohan and Dominic.
If you do that, I will secure your safety after I become King.
How can he say such dangerous threats without any emotion...
But how will I be able to separate them?
Once you approach those two, you will know
Does that mean that if I don't submit to those threats, I won't be safe...?
Did Kayan already know?



If the situation is like this..
Separating those two won't be hard

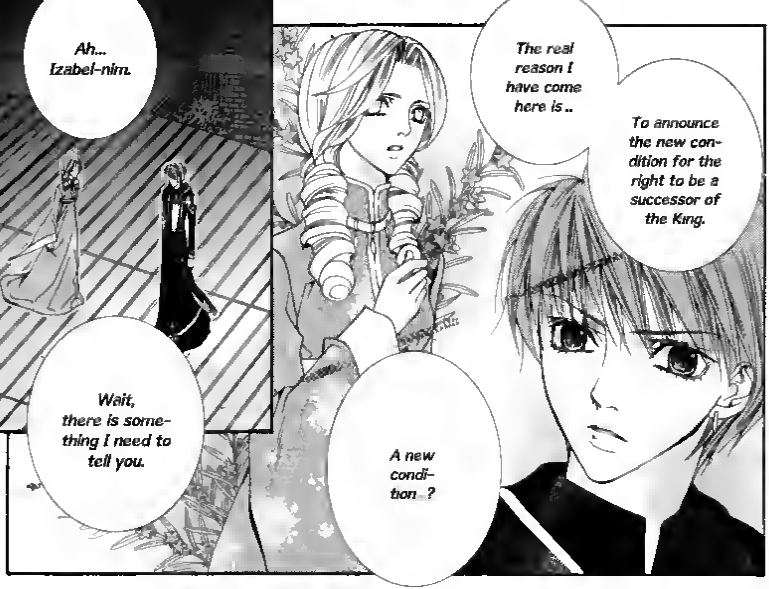
A Diary of
Troublesome
Adventures
Chapter 17

I shouldn't think things like this, should I?
Only if he didn't choose you
But everyone said that...
From the burden he put on to me..
Yohan hyung has helped me so much
No one believes that I can one day become King.

This is the order of your princess!
Does that mean Saeju is marrying me?
To become a princess, she has to marry me, right?
Does that mean Saeju likes me?
I want to ask him.

You know? Yohan-hyung..
I like hyung too much
I also hate myself as I think these thoughts.
But I hate you so much
He's probably suffering in many ways.
Dominic...
To such a child, I..

No.
This is for Dominic's sake as well.
That's right.
Dominic!
Yes?
There is something I would like to discuss with you
When you return home, please go to where Yohan is.
?
Yohan!



Ah... Izabel-nim.
Wait, there is something I need to tell you.
A new condition..?
The real reason I have come here is..
To announce the new condition for the right to be a successor of the King.

The successor must marry a person of Earth!

Someone of Earth as a spouse?!
Why?
This is almost like a condition to get Dominic-nim as King.
This situation is definitely advantageous.
But I have a bad feeling.
Besides...
Regarding this, Kayan-nim...
Should already know by now.
Kingship or Nokia... If that is correct, then he will have to let go of one of them-
This is why he is so irritated at Dominic-nim.

Since I left –
If he ends up losing her as well...
SFX Knock knock knock
탕 탕 탕
Eh?!

Saeju...?
I know this isn't the time to say something like this, but..
I have never been happier that I stopped pursuing Kingship than I am now.
If I didn't give up, I would have lost hope to be with you, right?
Izabel-nim..

CRASH
?

Dominic-nim?
Sorry –
I'm sorry, Yohan.
?
I may have been afraid of Kayan's threats,
But I also do not wish for Dominic to become King.
What.
Are you saying?

To Dominic, my appearance now...
Would've seemed like that Saeju girl.
SFX: Thump, thump, thump, thump
Who the hell is running around like this?
SFX: Knock

DOMINIC-NIM!!
A MOMENT PLEASE!!
YOU HAVE MISUNDER-STOOD!!
PLEASE LISTEN TO ME...!
I...

No longer want to be the King's successor.
Sorry... I'm sorry, Yohan –
You will never forgive me, will you?
Startled
YOU WERE HERE!!

Found you, you troublesome princess!
RHODE ORAVERNI!!
What is it that you are doing here?
Have you forgotten that no one can step into the fight between the successors?
.....
...Oraverni, do you wish for Dominic to become King?
Huh?
I DETEST THAT THOUGHT!!

That innocent and kind child.
How...
Izabel?
Oraverni...
Do you really know what 'becoming King' is?
Look at the current highness. Does he not seem like a completely different person to what he was before?
Dominic may be too young to remember, but the late King said so as well.
To become the King...
Rhodenim
And Izabel-nim.

We have come to escort you.
We are to escort you to the main castle,
This is the order of Kayan-nim.
And to make sure that you never come out of your own palace.

I only wanted to live quietly.
In my castle with my birds.
How much I have suffered since. .
How much misery I was in while being beside hyung
Hyung doesn't know anything.

But hyung took all that away from me.
If hyung didn't choose me, I could have been happy...
Without being hated by anyone,
Without the need to fight anyone.
It seems that that was not enough, so even Saeju –!

HYUNG HAS EVERYTHING, YET WHY ARE YOU TAKING EVERYTHING FROM ME, WHY?!
I CAN'T TAKE IT ANYMORE!!
I DON'T EVER WANT TO SEE YOU! DISAPPEAR FROM MY SIGHT!!
DO NOT EVER APPEAR IN FRONT OF ME AGAIN!!

SIX: STUMBLE
WAIT!
WAIT, STOP!
HEY, SHIN YO...

Saeju...
Saeju –!

DON'T HARBOR FEELINGS FOR YOHAN-HYUNG!
SO PLEASE...
I BEG YOU...
IF YOU DO, I HAVE NO CHOICE BUT TO ABANDON HIM!!
He disappeared...

What the hell happe-ned?!
Is he in pain?
Is he suffering?
He has to be.
Like what you did to me.

T/L Note: Latin word meaning external, referring to his being excluded and such

.. There was business I needed to take care of at the main castle
Even taking the knights with you?
I have told you to not touch Yohan
.....
No matter what you say, he will not follow Kayan-nim.
Being the same as him I am able to understand

Even with different masters.
The same?
Not at all, Nokia. He is different.
We both have scars in the same place.
It is surprising how much we are alike.
Besides that, his ability...
That was made for me.

YOU WILL NOT BE ABLE TO UNDER-STAND.
It is not the time yet.
Don't get ahead of yourself, and just wait!
After all, he has no choice but to return to me.
If only that stupid bas-tard would disappear ..

The time to wait
Will I have enough to?
..Hey!
...Ju!!
SAEJU!
Yeah?

What are you thinking about?
You have to teach us the rest of the dance
Ah –
.....
Let's stop.
Eh? But...
WE STILL HAVE SO MUCH TIME!!

SAEJU!
탕
탕
Since Saeju's not feeling too well, Won-oppa isn't either, huh?
Yeah.
Yohan is also absent..
There is no joy in coming to school.
Yeah.
에휴

SFX: Sigh

It has been three days since he disappeared
But the reason I still come to school is because...
I believe that he is protecting me from somewhere.
Saeju...
Do you hate me?

Dude –!
Everyone can't help but think from their own perspective.
But...
Was my bed always this big?
Since he disappeared, even Won doesn't come anymore
This void,
I have definitely felt it before.

People like you should disappear.
That bastard–!
Making me think of things like that...

HEY! YOU'RE HERE RIGHT?

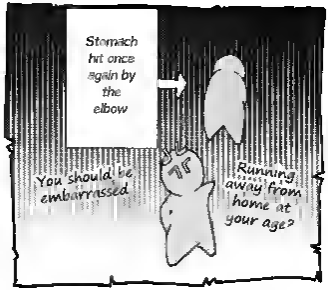
Stop being so depressed and come out.
He probably didn't mean what he said!
If you don't come out, I'm gonna jump from here!!
G
G

I'm not lying...
It's true!
Eh, he's still not coming out?
Okay, I'm going to count to three
One –
Two –
E
h?
SLIP
WAAAAH – I NEVER THOUGHT THAT I WOULD REALLY FALL OFF...!
GRAB

Some...
Some stubborn Queen you are.

퍽

SFX Thwak



Stomach hit once again by the elbow
You should be embarrassed
Running away from home at your age?

Is it because it's been three days?
This guy's face...
I don't know exactly what is going on.

You...

Everyone said that Dominic-nim couldn't be King without me,
But that's not true
It is because I need him.
Can't you just ignore what happened and return home?
I never thought that he was in so much distress
Never thought he was suffering like that.
Without him, neither my past nor the present mean anything to me.

Even my future as a deputy to the royal house...
I HAVE NO REASON TO CONTINUE LIVING.
...
...So what are you planning to do?
You don't need to worry about me
I'll keep an eye on you without being seen.
NO, YOU IDIOT!!
NOT US, WHAT ABOUT YOU!!

CAN YOU LIVE WITHOUT EATING?
WHERE ARE YOU SLEEPING?
WHAT ARE YOU GOING TO DO IF IT RAINS?!
YOU CAN MAKE UP REASONS TO LIVE!!
ONE OF THEM CAN BE THAT I NEED YOU!!
SO COME BACK!!

!
Thank you...
Ah! Wait!!
Just wait a moment!!

Blood..!!

IT'S RED!!
They said that an alien's blood must be blue!!
You saw me bleed last time, yet are you still going on about that? Of course, it wasn't real but
Those scoundrels

SCATTERED
Kyaaaaaaah!!
Even dressed like an Earthling, Yohan-nim is so very charming!!
The palace maidens
Damn... If it continues like this, I am really going to be hated.

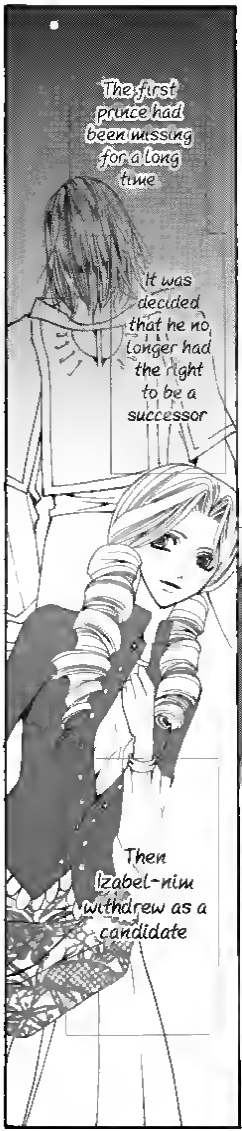
I heard that earthlings abandon their own children.
Even bugs don't do that –!!
HIT
NO

Yohan, I heard that your mother was from Earth.
MASTER –
Yohan...
MASTER! PLEASE STOP!!
YOHAN-NIM! PLEASE RUN AWAY!!
I don't know how long my mother was in that condition, nor do I know why she tried to kill me.
From what I can remember she was always that way.
My father passed away before I came to being.
I believed that was the reason my mother became like that.

And before I even got a chance to confirm that belief, she passed away.
She left me another name "Externus"
This child is the Anarchia.
He is the one who will choose our future
A child of destiny.
After my second hit of puberty, and after I was named the Anarchia.
I became part of the royal family and attended the school of the royals
Who am I supposed to choose?
Who will become my king ?



The first prince had been missing for a long time
It was decided that he no longer had the right to be a successor
Then Izabel-nim withdrew as a candidate

He lacks the ability to devote himself to something without orders
Rhode-nim hates being restrained and enjoys freedom
Thus it seemed as though he had no will to look after the kingdom

And then...
So, you're that famous guy?

They call you Externus?
!
Seems like you took the top seat during my absence.
Let's see who really is the best.
쉬익
쉬익
좌아악

He's strong!!
Is this the fourth prince Kayan-nim?!
You're not bad~
I don't need to hold back on him
I don't need to hide my strength from him!

This is fun!

But that day -

HEYIAHH!

—!!
My strength revealed itself for the first time far surpassing the royals who were thought to be the strongest

So you're apparently called a beast as well?
Um –, Externus Yohan!
...Can you not say that?
Again...
What, Externus?
Why, you don't want to hear it?
Of course...
Hm~ I like you.

Kayan-nim, your match is about to begin.
껑지
No thanks, I –
Don't say anything and just follow me.
That's right. How 'bout you join me?
질질
He excelled in both the pen and the sword.
Combined with his natural charisma and knight-like nature, there were always people surrounding him

We may share the same name, but I am not a 'prince' like my other siblings.
The highness has no interest in her.
My mother's a concubine.
Anyway, it's the women that are the problem.
If I am not chosen by the Anarchia, there is no way that I can become King.
....
Wait, now that I think of it, who's the current Anarchia?

That...
They say that Anarchias are usually around the royals...
헉
I tried to find out through various methods, but I still don't know.
끄응
I am going to become the King, Yohan.
It can't be...
That I have such luck.

If I become King, I will make sure that everyone looks up to you.
So that those who think they are nobles just because of their bloodlines cannot look down upon you!
Use it for my sake.
So your ability...
...It is an honor, Kayan-nim.
Will this person be my King -?

Will this person be the one who grants me the world that I wish?
Today is a meeting just for royals..
This is a friend whom I brought,
So why is that person here –
Why.. do you have a problem?
끙...
There is no problem~ <3

They say that you have incredible powers?
His mother is from Earth...
Is this the child that was almost killed by his mother when he was young?
Ah~
I've heard of it They say that among earthlings there are those with such damnable peculiarity
Abandoning their own child!!
Even bugs don't do that...!!
If it was me, even if I had such power, I would decline blood like that.

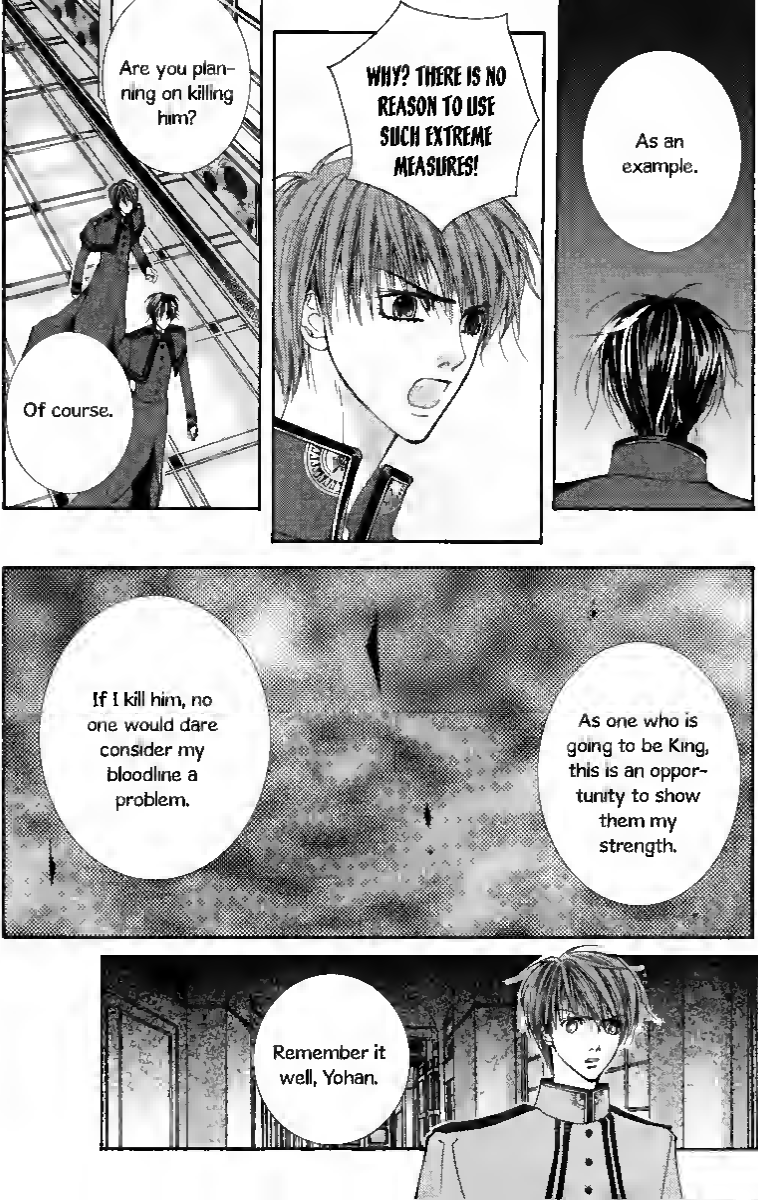
하
하
하
HEY!!
AH?!
WHAT HAVE YOU DONE!!
...!!

Are you bastards discussing bloodlines in front of me?
DO YOU WANT TO DIE?
No, I...
I wasn't talking about Kayan-nim..
ㅠㅠ

KYAAAH–
KAYAN! CALM DOWN!!
You have done something troublesome.
KAYAN-NIM!!

You may not be of the direct line, but you still have the honor and dignity of a royal.
But in front of all those people...
Okay, then let's do it like this.

We duel.
With our royal honor and dignity on the line!
If you're scared, you're welcome to run away.
You may be considered a coward for the rest of your life, but it suits you.
He showed no mercy to his enemies...
WAIT!
JUST A MOMENT, KAYAN!



Are you planning on killing him?
Of course.
WHY? THERE IS NO REASON TO USE SUCH EXTREME MEASURES!
As an example.
If I kill him, no one would dare consider my bloodline a problem.
As one who is going to be King, this is an opportunity to show them my strength.
Remember it well, Yohan.

Those who bother me,
Those who think lightly of me, those who show malice against me...
THEY WILL ALL DIE!
That's when I first figured it out...
How those who followed Kayan felt...
It was fear.
Due to fear, no one dared to stop neither his speech nor his actions.
Everyone tried to stay on his good side, and strived not to be a bother.

And that side of him...
Would be what the kingdom would become in the future if he was to be chosen as King
No.
This person cannot be the King I wish for.

다각
What's the problem, Yohan?
This place...
Yes.
Yeah, this is Dominic's territory.
He may be my little brother, but he's pathetic.
I heard that his body was frail...
I hate weaklings.

SQUEAK
WAIT! THAT'S NOT A GAME—
...!
It is an unforgivable crime to be weak.
They will only be of hindrance, and bring about unfavorable situations.
I want to become King quickly and clean them all up.

.....
바
Bring it on!

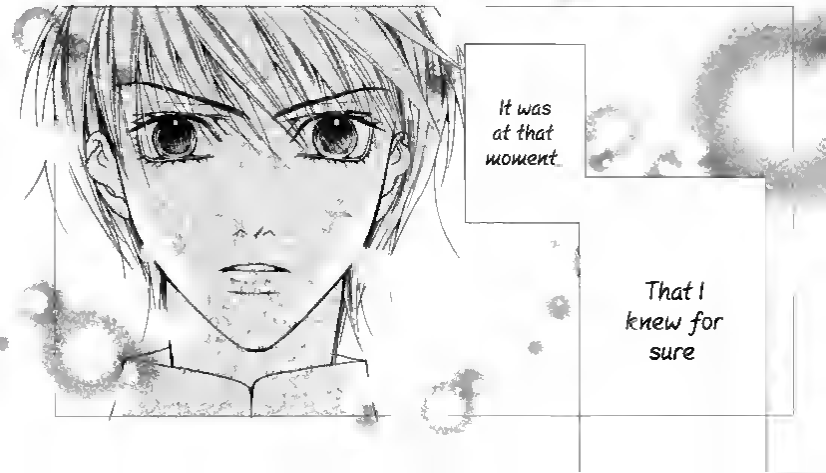
Ellon –
Ah...
Is this person Dominic-nim?

My bird died.
Kayan-hyung-nim must have mistaken it for a game.
Ah –
.....
– No.
I know the truth too.
Hyung-nim hates me.
That's why he kills my birds on purpose.

.....
This is trouble-some
What should I do?
?!
벌떡
Lead me.
Lead me to hyung-nim.
What are you planning to do?
You were with him, right?
I will fight him.
WHAT?!

I know.
I'm not as big as hyungnim,
And I can't beat him in swordsmanship
But I have a mouth to protest and beg!
.....
I CAN'T DO ANYTHING ELSE.
THIS IS ALL THAT I HAVE!!
.....
You will not be able to beat Kayanim with just that.
Only this...

WHY IS HYUNG-NIM DOING THIS?
EVEN THOUGH HE'S SO BIG! EVEN THOUGH HE'S SO STRONG!!
If that was me,
If I had that power then I would've protected my birds...
I would've wanted to protect all those that are weak and small...



It was at that moment
That I knew for sure

If it is this person, then he can do it.
I...
Will be that power for you.
Dominic-nim.
With this person, the world that I dream of can become reality

And that day...
This is Shin Yohan-nim.
벌떡
The one who will decide the kingdom's future, the first Anarchia.
The second, Nokia-nim.
So that's it.
Oh! Luck is on my side!

Soon the princes will begin their sword fight.
챙강
Thus I have nothing else that I can show you.
I have already told you everything, and showed you everything,
I only need to wait.
웅성
Aren't those two close friends?
So is Kayan-nim becoming King?
웅성

Then, Yohan-nim.
Give your word of obedience to the person who will become your King.
Sleepy...하암
I hope this finishes soon...

天国

Dominic-nim.
The kingdom's future,
I entrust to you.

WHY?
WHY DID YOU CHOOSE SOMEONE LIKE DOMINIC INSTEAD OF ME?!
ARE YOU BETRAYING ME? YOHAN!!
This is not a betrayal, Kayan-nim!
I have never once wished for you to become King.

That is because... Your supreme abilities,
your unending greed for domination and cruelty...
Bring misfortune to everyone.
DON'T LIE TO ME!!
WHAT DID DOMINIC PROMISE TO YOU?!
YOU WOULDN'T BE LIKE THIS OTHERWISE.
HOW COULD YOU... TO ME—!!
...It hurts.
Not my arm, but...

My heart...
However...
...When are you going to figure it out?
Yeah, Kayan, you're an amazing guy
But what do you plan on doing as King?
You may be able to become a soldier like never before
If you become King, do you think that everything would go according to your will?
Just disposing of those who bother you?!

WAKE UP FROM YOUR DREAM, KAYAN!!
WILL YOU STILL BLAME YOUR LACK OF LUCK FOR YOUR MISERY, EVEN THOUGH YOU SEEM TO HAVE EVERYTHING?
WHAT YOU LACK IS NEITHER FORTUNE NOR BLOOD!!
YOU DO NOT POSSESS THE QUALITY THAT A SUCCESSOR OF THE THRONE MUST HAVE!!

YOU HAVE NOT FIGURED THAT OUT, AND YOU WILL FOREVER BE A CHILD TRAPPED IN HIS OWN SHELL!!
—!
Yes...
AN EYE LIKE THIS THAT CANNOT INSCRIBE 'THE KING'S VIRTUES' —!
If that's why, then it's not needed.

KAYAN!!
WHAT IS THIS...!
MOVE IT!!

I will never think of you again as a friend.
Remember this well!!
It ends with this.
When we meet again you and I will be enemies!!

Kayan...

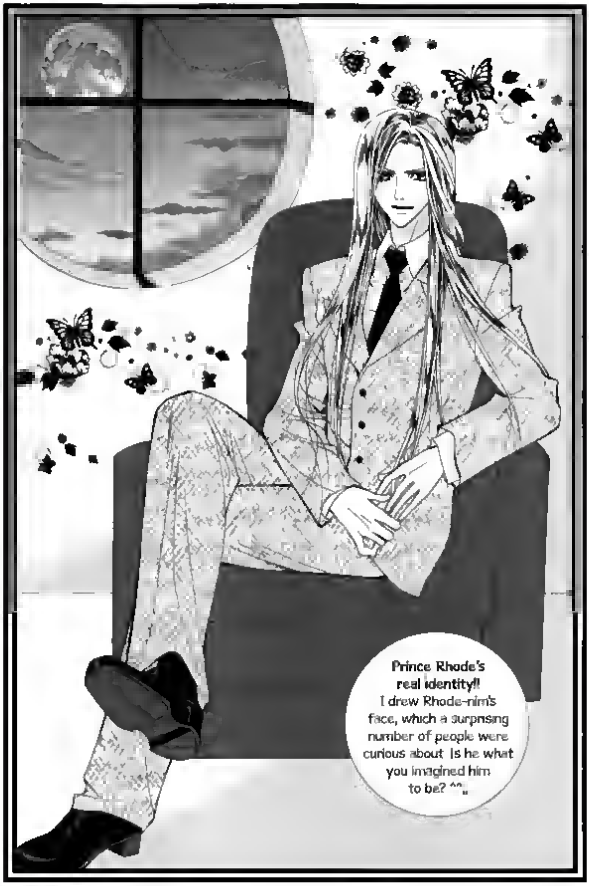
Break time!!



Prince Rhode's real identity!!
I drew Rhode-nim's face, which a surprising number of people were curious about. Is he what you imagined him to be? ^^;;

A Diary of Troublesome Adventures
Chapter 19

SFX Pour
쏴아아
.....
Yohan-hyung.
At this rate, you're gonna bore a hole into that window
깜짝
Do you think staring at the window like that would bring him back?

SFX Startled

Saeju...
If you're that worried, just call him back.
I CAN'T DO THAT!!
No
...I don't know
I don't know what I'm supposed to do

If it's that hard, can't you give it up?
Just give the throne to that black guy
If you are scared and hate it, then why are you clinging to it?
.....
I...
Dominic-nim

I entrust you my life and the future of the Kingdom.
I was so happy because of hyung's words.
You can become an excellent King.
I didn't want to disappoint hyung...
I want to protect my precious and weak creatures with my own hands.

The reason why he said that it couldn't be anyone else besides you...
I think I know now..
...
You...
Know how to say pretty impressive things...

Saeju-!
I like Saeju...
I really, really like you!!
She is the girl who had everything I wanted.

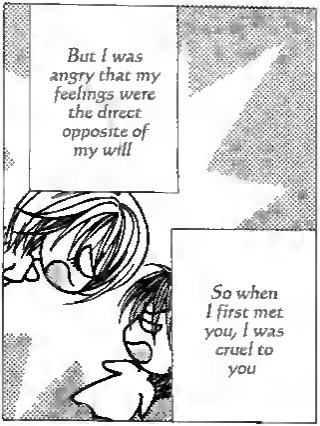
She had no powers, but still faced Kayan-hyung
She wasn't strong, but still fought with Nokia
Her will to defend things precious to her
The courage required for that...
I wanted to become a person like her
I wanted to be courageous like that

If I accept Yohan-hyung now I may lose both of them.
Saejuc
Do I have the courage...
...to do something like that?
SFX: Drop drop
...I hated EarthImys.

That hasn't changed.
When I breathed Earth's air,
I remembered the feeling of my lungs filling with air.
The nostalgia almost made me tearful -
The place that had the scent of my mother -
The place where half of my blood flows.

Deep inside, I could feel that my soul was happy

Waaah!
Hooray!

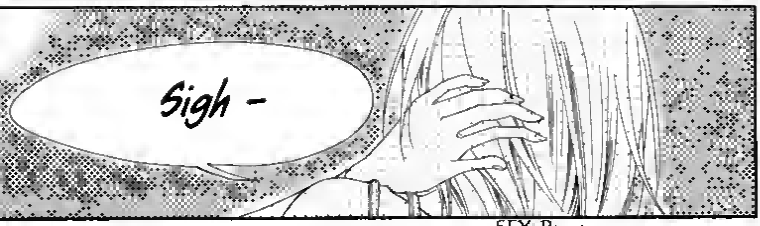


But I was angry that my feelings were the direct opposite of my will
So when I first met you, I was cruel to you

Sigh...

Bad luck, it seems like you'll have to sleep on the roof again, huh?
I did it!!
I need you.
Come back!!
I don't know why, but right now...
I really want to see you.
I'll go.
Go get it.
...So that's it.
I can't leave you here like this.

.....



Sigh -

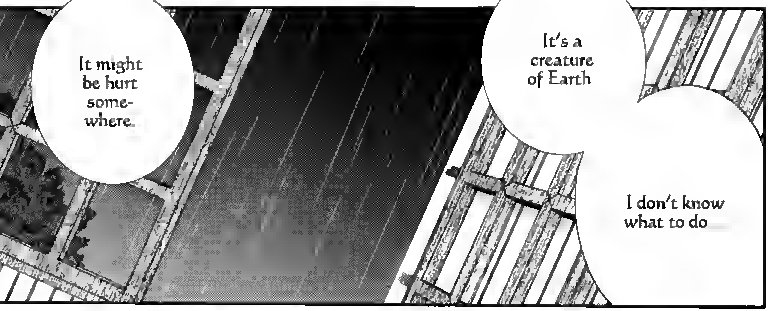
SFX: Pours

One's crying~
And the other one's run away from home~
What the hell am I doing in between those two?

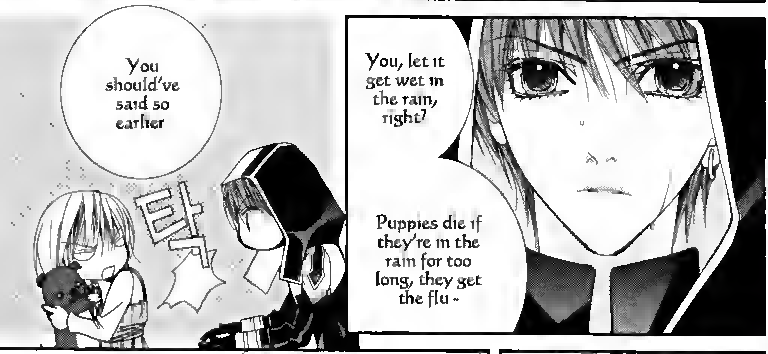
It's still raining.
That guy...
SFX: Whoosh
Huh?
What was that just now?
AHHHHHHH!!
Shhh –

Ah...!
지-
잉
Wah! Isn't that a puppy?
It's pretty cute
Where did it...?
You!!
Did he come back?

*N: NUNIM IS THE FORMAL WAY TO REFER TO A OLDER FEMALE FRIEND OR SISTER.

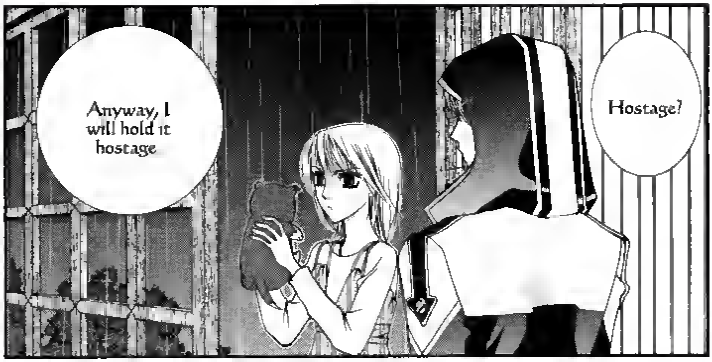


It might be hurt somewhere.
It's a creature of Earth
I don't know what to do



You should've said so earlier
You, let it get wet in the rain, right?
Puppies die if they're in the rain for too long, they get the flu ~

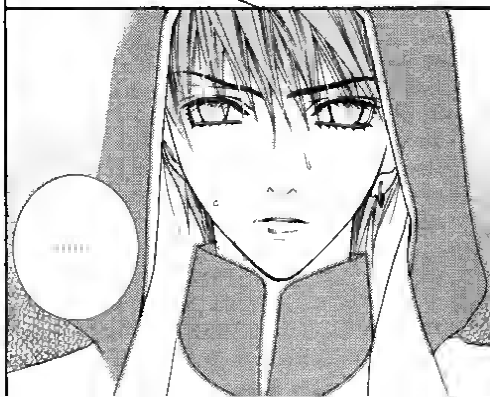
You have to give them the right food as well.
Boys can't touch them for too long either. Especially bad people like you...
And when you're feeding and washing them, you have to do it with your feet...
At this point, Yohan is getting suspicious.



Anyway, I will hold it hostage
Hostage?

Try to run away from home again,
And I'll throw it right out the window
HEY!!

You're not going to run away, are you?



.....

You're not answering?
Answer!!
AHHH!! WAIT, WAIT!!
AH, OKAY!! I GET IT!!
YOU... PROMISE?

I can't do that anymore
I was planning to leave the dog here and run away again -
Why are you not answering?
I SAID I GET IT, SO PLEASE STOP IT.
And please don't involve me within your lover's quarrel
My life is exhausting enough
Lover's quarrel?!
ANYWAY, DON'T GO ANYWHERE AND JUST STAY THERE!! UNDERSTOOD?!
Maybe this is why I wanted to see you -
Eh? It's a puppy!!

It's so cute!! It's my first time touching one
Where did it suddenly come from?
Where did it come from...?
That guy brought it here
That guy?
I mean Yohan
Nod
Nod
He's back?
So that's what happened...
Abandoned dogs...to hyung...
Maybe...
He thinks that this dog is like him
Hm?

When we were in the main castle, hyung was called 'Externus'
Yeah, I know, didn't it mean abandoned or something?
On our planet, having a child itself is really hard
So when everyone heard the story of hyung being abandoned by his blood mother, they couldn't help but be surprised
They have to pass lots of bothersome inspections. Also, they need to receive education on being a parent
And so, having a child is a huge blessing and honour

What -?
Hyung's mother was from Earth and she suddenly showed signs of mental problems. I don't know the details but...
That is probably why hyung hates Earthlings,
And why he brought this puppy here
So that's it
That's why his expression was like that

……
Hey, Saeju –
Yeah?
How is hyung?
How is he?
??
Yeah.
SFX. Hehe
아항
Does he look ill, or…

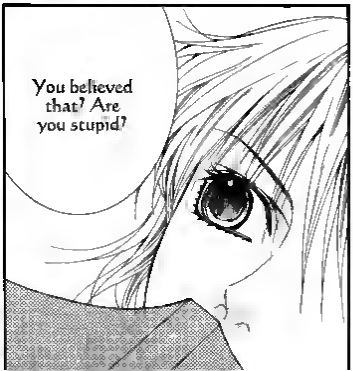
Yeah – He did look a bit like that.
STAB
He looked weak and seemed like he would suddenly collapse
STAB
Huh?
Hehe~ How cute ♥
Ah No, I –
You think you can go see him now?
Hey~
I'LL GO LATER...
What's with that reaction?
I told him to go see him, not to confess to him
Thanks

You brought him back.
I'll treat you nicely.
SFX: Bam
HEY! LET'S DO THIS TOGETHER!!

SFX: Throb, throb

SFX: Drip, drip, drip

SaeJu, you said that you'll be nice...



SFX Squeeze
Oh yeah, we need to name him.
Yohan Sebastian Junior! 'Cause I picked him up!
It's probably not a wound that can heal perfectly
What?
If you ever get married and have a child, never name it yourself. What the hell is Sebastian?
Ah! Why don't you stick Bach on the end as well?
Then, what would you name it?
But I don't believe there's a pain that can't be healed with time

Our ancestors have named puppies Mungmung, or Baduk...
Those have no meaning whatsoever.
So like new skin developing, or blocks being stacked up, it can filled with one by one with happy memories.
And one day, maybe those memories that hurt so much...
Will be a thing of the past.
콜록 콜록
SFX: Cough

SFX. Cough, cough, cough
If one loses their bodyguard they also lose the right to be a successor.
I cannot destroy Kayan-nim's dream.
No -
Nokia!
Nokia!
?
Yes.
I am here, Kayan-nim

No.
There is no problem.
Is something the matter?
I've waited too long
I understand.
I need to endure it
I need to hear the answer

It's almost done!! Please, give me a bit more time!!
Eh?
It's not here
Where did it go?
Where the hell did it go?
탕

It disappeared.
Have you seen the puppy?
Mum said she didn't take it out anywhere –
Wait, I'll go look for it.
What do I do? It might have gone outside while the door was opened for a bit
No! Don't go!

Just because of one dog, we can't put everyone in danger!!
But if we just leave it alone, it might be harmed or even ran over by a car and die!
...We can't do anything
If that is its fate...
Then, you stay here.
I'm going to go look for it.
Yohan-hyung might think that this dog is himself
HEY!

I can't give up without trying
So I can't let it die and say that's its fate
I will take care of it till the end!
So that you won't think that you have been abandoned twice!!

.....
What about Dommic-nim?
He's sleeping Zzzzz~
Okay. But we can't look for it for too long. Okay?
탁
This barrier will defend him from knights, but...
This feeling...

You were careless, Yohan.
You didn't think that I would come?
A barrier...
It may have become easier for me but
Yohan

델킹
Hm?
What –?
I FOUND YOU! YOU DOG!!
You're already causing trouble!!
We need to go back.

What?
WE NEED TO GO BACK QUICKLY!
The barrier -II
